We would like to ask, through the columns of your paper, if there is any person who has used Green's August Flower, for the cure of Indigestion, Dyspepsia, and Liver Trouble that has not been cured—and we also make their results, such as sour stomach, fermentation of food, habitual constipation, nervous depression, headache, debilitated feelings, sleeplessness—in fact any trouble connected with the stomach or liver? This medicine has been sold for many years in all civilized countries, and we wish to correspond with you and send you one of our books free of cost. If you never tried August Flower, try a 25 cent bottle first. We have never known of its failing. If so, something more serious is the matter with you. The 25 cent size has just been introduced this year. Regular size 75 cents. W. T. Brooks.

Caution!

This is not a gentle word—but when you think how liable you are not to purchase the only remedy that has had the largest sale of any medicine in the world since 1865 for the cure and treatment of Consumption and Throat and Lung troubles without losing its great popularity all these years, you will be thankful we called your attention to Boschee's German Syrup. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but for severe Coughs, Bronchitis, Croup—and especially for Consumption, where there is difficult expectoration and coughing during the nights and mornings, there is nothing like German Syrup. The 25 cent size has just been introduced this year. Regular size 75 cents.—W. T. Brooks.

MOSLEMS MURDERED.

Eight Hundred Killed By Insurgents In Monastir District.

Bulgarians Have Practically Mobilized An Army of 70,000—Communication Between Monastir and Salonica Cut Off.

Constantinople, Aug. 19.—A dispatch received at one of the embassies states that 800 Moslems have been murdered in the Monastir district by insurgents. Word was also received Tuesday that two Bulgarian villages had been totally destroyed by Turkish troops.

Twenty-four battalions of Redifs have been called out in Anatolia. The troops now here, however, are unable to make distinct headway, as the orders given them from different sources are conflicting, and they are at a loss to know which to obey.

Sofia, Bulgaria, Aug. 19.—A fierce battle is reported to have occurred in the neighborhood of Monastir. Three Turkish battalions attacked a thousand insurgents and after the fight had raged for six hours the Turks were repulsed with the loss of 210 men killed or wounded. The insurgent loss is not given.

Rome, Aug. 19.—Private advices from the Balkan peninsula received here state that Bulgaria has practically mobilized an army, as the troops under arms in the principality amount to more than 70,000, which is double what is considered as the peace effective. The Bulgarian government, however, is unwilling to venture for the time being on any hostile movement against Turkey, as it does not wish to lose the support of Russia. It hopes, however, that public opinion in Russia will force the government to help Bulgaria against Turkey and the dispatch of a Russian squadron to Turkish waters encourages the Bulgarians in this view.

Sofia, Bulgaria, Aug. 19.—The Evening Post states that a band of Bashli Bazuks have crossed the Bulgarian frontier in the district of Teledele, killed three frontier guards with Yatagans and wounded two others. They also set fire to several houses. This raid has created great excitement in the district.

The news has not been confirmed officially.

The revolutionary organ, Autonomie, says the insurgents, after two unsuccessful attempts, have succeeded in destroying with dynamite the bridge at Exschosso, thereby absolutely stopping communication between Salonica and Monastir.

Forty-three battalions of Turkish reserves in Europe have been called out. London, Aug. 19.—A Constantinople dispatch to the Daily Chronicle dated August 14 describes the Turkish officials as in despair at the rising in Macedonia. The railways were busy all the night conveying troops and stores to the disaffected area.

War with Bulgaria was believed to be imminent and the military men were impatiently awaiting the opening of hostilities to end the suspense which was taxing the patience and discipline of the troops to the utmost. Vienna, Aug. 19.—The Constantinople correspondent of Die Zeit Tuesday reports two massacres by Turkish troops. He says: "Turkish troops, after capturing Krushevo, burned down all the buildings and massacred all the inhabitants."

"Another force of troops, enraged at the death of their comrades in de-railed trains, massacred the railway officials at Ferrisowitch and Kuprili, and many of the peasants of the neighboring villages."

RIOTING IN CROATIA.

Several Rioters Killed and Wounded By Gendarme.

Vienna, Aug. 19.—A fresh outbreak of rioting has occurred in Croatia. At Zappes upon the occasion of the celebration of the birthday of emperor Francis Joseph Tuesday, a thousand peasants gathered in the town and destroyed a Hungarian banner. The rioters were resisted by the gendarmes, who shot three men and wounded many others. At Komesina the peasants pillaged stores and stoned the military, who killed two persons and wounded a number of rioters.

Will Build An Extension.

Chattanooga, Tenn., Aug. 19.—The Southern railway has decided to build an extension from Oliver Springs to Pilot Mountain, the survey for which is now being pushed rapidly forward. This extension will shorten the road from Knoxville to Cincinnati 25 miles and will pass through a section rich in coal and iron yet undeveloped.

Damaged By A Cloudburst.

Tucson, Ariz., Aug. 19.—A cloudburst at Cerro Prieto, Sonora, Sunday wrecked the stamp mill of the principal gold mine at that place, and floods carried away 10,000 tons of tailings valued at \$40,000 that were being worked for gold by the cyanide process.

Locomotive Boiler Exploded.

Albuquerque, N. M., Aug. 19.—By the explosion of the boiler of the engine pulling the east-bound limited on the Santa Fe Tuesday at the Maguire mine, Engineer Fitch was instantly killed and Fireman Bland was seriously injured.

Papermakers' Strike Ended.

Holyoke, Mass., Aug. 19.—The big strike of the Holyoke papermakers, which has been on since June 15, came to an end Tuesday night. The strikers will go to work Thursday morning. Over 2,300 persons are affected.

ONE OF A POSSE KILLED.

Attempted to Rescue Young White Girl From Negroes.

Fort Smith, Ark., Aug. 19.—Kidnaping of a young white girl and the killing of one of a posse that tried to rescue her are the crimes charged against a party of eight Negroes fortified on Bruce's island, 16 miles west of this city. It is feared their capture will lead to a bloody encounter. The Negroes are said to be well armed. A few days ago two farmers, living near Wilson's Rock, landed on Bruce's island in search of plums and accidentally ran into a camp in which there were two Negro men and a white girl, about 12 years old. They made some inquiries about the girl and the Negroes said she was the daughter of a white man, who was traveling with them and who had gone to Fort Smith for provisions. The Negroes would not let the girl take part in the conversation and this aroused suspicion. A watch was kept on the Negroes for two days, but no white man appeared.

Monday afternoon a party of farmers decided to investigate the case and as they neared the island were fired on by the Negroes and one of the party, Roland by name, was killed. A sharp fight was kept up for some time during which the girl escaped from the Negroes and ran to the white men. She was so excited that she could not give any intelligent account of herself. She said, however, that her father was not traveling with the Negroes, but that she had been stolen from her home near Fort Gibson, I. T. She has been taken to Muldrew.

Roland, the dead man, was a comparative stranger at Wilson's Rock. Bruce's island is in the center of the Arkansas river, contains about 25 acres and is densely covered with timber and thick underbrush.

Poses of citizens left Tuesday for the scene of the trouble from Fort Smith, Spiro, Muldrew and Fort Gibson. There is much excitement around the island. One or two of the Negroes are known to be desperate characters.

IMPORTANT DISCOVERY.

Base of the Equestrian Statue of a Roman Emperor Found.

Rome, Aug. 19.—A most important discovery was made Tuesday during excavations in the Roman forum, consisting of the base of the celebrated equestrian statue of the Roman emperor, Domitian, which is of the greatest interest in determining the topography of the forum during the first century of the empire. The base stands five feet below the present level of the forum. It is 40 feet long, 20 feet wide and over ten feet high. On the top are three blocks of travertine stone, showing where the feet of the horse stood. The fourth block is lacking, indicating that the right forefoot of the horse was raised. The distance between the blocks is so great that it is calculated that the statue was six times life size.

MULTIMILLIONAIRE DEAD.

Six Years Ago He Worked in a Mine at 30 Cents a Day.

Chihuahua, Mex., Aug. 19.—Pedro Alvarado, a multimillionaire mining man, is dead at Parral. It is said that six years ago he was a barefooted peon working in a mine at 30 cents a day. He discovered the Pal Mito mine and his wealth is now estimated at \$85,000,000. He had no faith in banks and it is said that silver bars worth a great sum are locked in a steel cage in his palatial home near Parral, constantly guarded by a strong force of men.

KILLED IN HIS CELL.

A Convict Shot to Death By the Night Turnkey.

Rawlins, Wyo., Aug. 19.—James Williams, a convict, was shot to death in his cell in the state penitentiary Tuesday by Ernest Goodsell, night turnkey. Reaching through the bars, Williams seized Goodsell and wrenched his keys from his hand. After a struggle Goodsell succeeded in drawing his revolver and shot the convict in the head. Williams, who was serving a sentence for grand larceny, escaped from the prison June 5 last but was recaptured.

FIRE AT THE MILITIA.

Considerable Excitement Was Caused at Danville, Ill.

Danville, Ill., Aug. 19.—Considerable excitement was caused here late Tuesday when one of three unknown men fired three shots at Guards Fifer and Perkins, members of one of the two militia companies that have been on duty in Danville since the recent riots in this city. Neither of the guards was injured and they did not return the fire.

Swam the Niagara Rapids.

Buffalo, N. Y., Aug. 19.—J. W. Glenister, the New York athlete and swimmer, successfully swam the Niagara rapids Tuesday. He is in a badly battered and bruised condition, and for several hours was unconscious.

Divorced Couple Remarried.

Pawtucket, R. I., Aug. 19.—After being divorced 12 years, Lawrence Alonzo Ring, of Chicago, and Abbie Barber Ring, of this city, were reunited by Rev. Marion Law, rector of St. Paul's Episcopal church. Mr. Ring is 53 and his wife 48.

Storage Place For His Plunder.

St. Louis, Aug. 19.—Under a vigorous "sweating" Harry Muzzler, alias Steven J. Lawler, arrested for burglary, admitted to the police that he rented a box in a safety deposit vault as a storage place for his plunder.

BEGGAR GIVES CREDIT.

But He Doesn't Relish the Practice That Some People Have of Putting Him Off.

Cheikh Bey, the Turkish minister to Washington attended in Philadelphia the recent launching of the Turkish warship Medjida at the Cramps' shipyard.

During the luncheon following the launch Cheikh Bey advertised for a moment to the beggars of Philadelphia, says an exchange of that city.

"You have here," he said, "an enterprising and intelligent collection of beggars. One of them approached me this morning. He told a moving tale of misfortune; then he asked me for a little money."

"I put my hand in my pocket, to find that I was altogether out of change."

"My man," I said, "I have nothing for you now, but in an hour I shall be passing this way again. Then I promise you, you shall get something from me."

"All right, sir," said the beggar; "but all the same," he added, "I wouldn't believe the amount of credit I give in this way."

A German Farmer's Case.

Rich Fountain, Mo., Aug. 17th.—Rev. Jos. Pope, of this place, is widely and favorably known as a clergyman who has done and is doing much for his people. He is very much beloved by everyone for the faithfulness of his pastoral work.

Rev. Mr. Pope has given for publication a statement made to him by a German farmer, who is a member of his congregation. The man's name is George Hoelzer, and he has given Rev. Mr. Pope this letter:

"Last winter I suffered very much with Rheumatism. I could neither walk nor ride on horse back nor do any farm work. I took medicine from different doctors, but they did not do me any good. Then I tried Dodd's Kidney Pills procured for me by a good friend. After I had taken the first box I felt already a heap better; I was relieved of the pain and could walk and chop wood; and the contraction of my fingers began to resolve."

"Now since I have taken six more boxes of Dodd's Kidney Pills I feel well again and am able to do all the work on the farm."

Give Warning of Approach of More Serious Trouble.

Do you experience fits of depression with restlessness, alternating with extreme irritability, bordering upon hysteria? Are your spirits easily affected so that one minute you laugh, and the next fall into convulsive weeping?

Do you feel something like a ball rising in your throat and threatening to choke you; all the senses perverted, morbidly sensitive to light and sound; pain in the ovaries, and especially between the shoulders; sometimes loss of voice; nervous dyspepsia, and almost continually cross and snappy, with a tendency to cry at the least provocation?

If so, your nerves are in a shattered condition, and you are threatened with nervous prostration.

Undoubtedly you do not know it, but in nine cases out of ten this is caused by some uterine disorder, and the nerves centering in and about the organs which make you a woman influence your entire nervous system. Something must be done at once to restore their natural condition or you will be prostrated for weeks and months perhaps, and suffer untold misery.

Proof is monumental that nothing in the world is better for this purpose than Lydia E. Pinkham's Vegetable Compound; thousands and thousands of women have written us so.

How Mrs. Holland, of Philadelphia, suffered among the finest physicians in the country, none of whom could help her—finally cured by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—For over two years I was a constant sufferer from extreme nervousness, indigestion, and dizziness. Menstruation was irregular, had backache and a feeling of great lassitude and weakness. I was so bad that I was not able to do my own work or go far in the street. I could not sleep nights."

"I tried several splendid doctors, but they gave me no relief. After taking Lydia E. Pinkham's Vegetable Compound I soon began to feel better, and was able to go out and not feel as if I would fall at every step. I continued to take the medicine until cured."

"I cannot say enough in behalf of Lydia E. Pinkham's medicine, and heartily recommend all suffering women to try it and find the relief I did."—MRS. FLORENCE HOLLAND, 622 S. Clifton St., Philadelphia, Pa. (Jan. 6, 1902.)

Another case of severe female trouble cured by Lydia E. Pinkham's Vegetable Compound, after the doctors had failed.

"DEAR MRS. PINKHAM:—I was in poor health for several years. I had female trouble and was not able to do my housework alone. I felt tired, very nervous, and could not sleep. I doctored with several doctors. They doctored me for my stomach, but did not relieve me. I read in your book about your medicine, and thought I would try it. I did so, and am now cured and able to do my work alone, and feel good. I was always very poor, but now weigh one hundred and fifty pounds."

"I thank you for the relief I have obtained, and I hope that every woman troubled with female weakness will give Lydia E. Pinkham's Vegetable Compound a trial. I have recommended it to many of my friends."—MRS. MARIA BOWERS, Millersville, Ohio. (Aug. 15, 1901.)

Will not the volumes of letters from women made strong by Lydia E. Pinkham's Vegetable Compound convince all of the virtues of this medicine?

How shall the fact that it will help them be made plain?

Surely you cannot wish to remain weak, and sick, and discouraged, exhausted with each day's work. You have some derangement of the feminine organism, and Lydia E. Pinkham's Vegetable Compound will help you just as surely as it has others.
